ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.
VICTORIA, 7th February, 1917.

PRESENT:
THE HONOURABLE THE ADMINISTRATOR
IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

AGRICULTURE.

ORDER IN COUNCIL No. 365.

(Approved March 27th, 1917.)

RULES AND REGULATIONS UNDER THE PROVISIONS OF THE "DAIRIES REGULATION ACT," CHAPTER 16, 1916.

PUBLIC NOTICE is hereby given that, in accordance with clause 9 of the "Dairies Regulation Act," chapter 16, 1916, the following Rules and Regulations were approved by Order in Council No. 365 on March 27th, 1917, and are now in operation.

JOHN OLIVER,
Minister of Agriculture.
Department of Agriculture,
Victoria, B.C., August 27th, 1917.

GENERAL.

The milk or cream of each patron shall be accurately and correctly weighed, and such weights shall be accurately and correctly reported to the patron and to the creamery or dairy (section 2, "Dairies Regulation Act," chapter 16, 1916) purchasing same.

For testing purposes, a sample representative of the contents of all cans in each consignment of milk or cream of each patron shall be taken. The milk or cream shall be mixed by pouring or stirring until such milk or cream is uniform and homogeneous in richness before the sample is taken. The proportion which a sample intended for a composite test bears to the weight of the milk or cream from which it is taken shall be reasonably maintained in the taking of all other samples entering into such composite test.

Samples of milk or cream taken for a composite test shall be kept in a cool place, in a separate, well-stoppered bottle labelled with the patron's name or number.

Composite samples shall be tested not less often than semi-monthly, and reports shall be personally delivered or mailed to the shipper by the Inspector immediately following the making of the test.

Samples shall be held for verification for seven days after test is made, except that in cases of dispute they shall be held until a Dairy Inspector of the Department of Agriculture of the Province of British Columbia shall have tested them.

It shall be unlawful to fraudulently manipulate the weights of milk or cream of any patron or supplier of milk or cream, or to take unfair samples thereof, or to fraudulently manipulate such samples.

It shall be unlawful to underread, overread, or otherwise fraudulently manipulate the Babcock or other test used for determining the percentage of fat in milk or cream, or to falsify the record thereof, or to read the test at any temperature except the correct temperature, which is 135° Fahr. (one hundred and thirty-five degrees Fahrenheit), or to pay on a basis of any measurement or weight except the true measurement or weight, which is seventeen and six-tenths (17.6) cubic centimetres for milk, and nine (9) or eighteen (18) grammes by actual weight for cream.

LICENCES FOR CREAMERIES OR DAIRIES.

Every creamery or dairy (section 2, "Dairies Regulation Act," chapter 16, 1916) receiving, buying, and paying for milk or cream on the basis of the butter-fat contained therein shall be required

to hold a licence. The licence shall be issued to such creamery or dairy by the Department of Agriculture of the Province of British Columbia upon the receipt of an application from such creamery or dairy filed or made by filling out such application form as may be provided by the Department of Agriculture of the Province of British Columbia, and upon the payment of a fee of one dollar (\$1).

The licence shall expire on the fifteenth day of January of each year, but may be revoked by the said Department of Agriculture of the Province of British Columbia if the licensee fails to comply with the provisions of this Act after a warning notice of seven (7) days has been given.

Each year, previous to the expiry of any existing licence, application for a renewal of licence must be made, and at the same time such report as may be required by the Department of Agriculture of the Province of British Columbia shall be filed with the said Department.

Upon receipt of the licence, the same must be posted in plain sight in the testing-room of the creamery or dairy.

The sampling and testing of milk and cream must be performed in accordance with instructions set forth in Bulletin No. 45 of the Dairy and Cold Storage Series of the Dominion Department of Agriculture, Ottawa, Canada, entitled "The Testing of Milk, Cream, and Dairy By-products by Means of the Babcock Test," or by directions which may be issued by the Department of Agriculture of the Province of British Columbia.

LICENCES FOR TESTERS.

Every creamery or dairy (section 2, "Dairies Regulation Act," chapter 16, 1916) buying and paying for milk or cream on the basis of the butter-fat contained therein shall have in its employ one or more licensed testers, who shall supervise and be responsible for the taking of all samples, and shall operate the Babcock test of milk and cream.

The licence shall be issued to such person by the Department of Agriculture of the Province of British Columbia upon presentation by the applicant of proof of his competency, and upon payment of a licence fee of one dollar (\$1); provided that the ownership of the whole or any part interest in any dairy or creamery shall not operate as a bar to the receiving of a licence under this section or to prevent such holder acting as Inspector in connection with the operation of such dairy or creamery in which he has any interest as before mentioned. This licence shall be valid for the term of one (1) year, and may be renewed upon application, without re-examination. The licence shall be revoked by the Department of Agriculture of the Province of British Columbia if the licensee has failed to comply with the Rules and Regulations under which the licence was granted.

A candidate for a tester's licence must take and successfully pass a tester's licence examination. The announcements of such examinations will be issued by the Department of Agriculture of the Province of British Columbia, due notice being given of place and date of such examinations.

The Minister of Agriculture may appoint an Inspector at any place where in his opinion there is sufficient business to justify such appointment. The expenses connected therewith shall be paid by the interested parties in such portions as may be agreed upon, or, failing agreement, as ordered by the Lieutenant-Governor in Council.

The tester's licence must be posted in plain sight in the testing-room of the creamery or dairy in which the tester is employed.

It shall be the duty of a tester, upon leaving any place of employment, forthwith to notify the Department of Agriculture of the Province of British Columbia, Victoria, B.C.

It shall be the duty of a tester to report to the Department of Agriculture of the Province of British Columbia any cases of unclean milk or cream that may come under his observation.

Any tester as an employee of any person, firm, company, association, or corporation buying or paying for milk and cream on the basis of the amount of butter-fat contained therein, violating any of the provisions of the "Dairies Regulation Act," chap-

ter 16, 1916, or Regulations passed by Order in Council by authority of this Act, shall, upon conviction thereof before a Justice of the Peace, incur a penalty of not less than twenty dollars (\$20) and not more than one hundred dollars (\$100). A third offence shall incur cancellation of the tester's licence.

Any person, firm, company, association, or corporation, by him or itself or through any employee or agent, knowingly violating the provisions of the "Dairies Regulation Act," chapter 16, 1916, or Rules and Regulations passed by Order in Council by authority of said Act, shall, upon conviction thereof before a Justice of the Peace, incur a penalty of not less than twenty dollars (\$20) and not more than one hundred dollars (\$100).

RECORDS OF WEIGHTS AND TESTS.

A record of all weights and tests of all patrons or suppliers of milk or cream shall be at all times open to inspection by patrons whom they concern and by the Provincial Dairy Inspectors.

Any patron or supplier of milk or cream who suspects fraudulent manipulation, on the part of the Inspector or of the person, firm, company, association, or corporation receiving as purchasers such milk or cream, of the weights or tests thereof shall have the privilege of applying to the Department of Agriculture of the Province of British Columbia for a verification test. Such application shall be accompanied by a fee of five dollars (\$5), recoverable with costs as against the offender if fraudulent manipulations be proved.

For the purpose of proceedings under the "Dairies Regulation Act," chapter 16, 1916, every offence against said Act shall be deemed to have been committed, and every cause of complaint under this Act shall be deemed to have arisen, either in the place in which the same actually was committed or arose, or in any place in which the person charged or complained against may be found. au30

"POUND DISTRICT ACT."

WHEREAS under the provisions of this Act, application has been made to the Lieutenant-Governor in Council to constitute that portion of the North Bend District comprising all that part of Section Two (2) and Section Eleven (11) west of the Fraser River, in Township Eleven (11), Range 26, west of the 6th meridian, a pound district.—

Notice is hereby given that, thirty days after the publication of this notice, the Lieutenant-Governor in Council, will proceed to comply with the application, unless within the said time objection is made by eight proprietors within such proposed pound district, in Form A of the Schedule to the said Act, to the undersigned.

In cases where tickets are distributed by officers of the Provincial Police Force, or by other members of the Provincial Civil Service, such distribution shall be carried out in the manner directed by the Censor.

3. Every owner of a place of amusement, on the sale of any admission ticket to such place of amusement, shall, at the time of such sale, sell to the purchaser of the admission ticket the necessary tax ticket as required by the "Amusements Tax Act."

4. The Minister, through the Finance Department, may supply tickets of such denominations as may be necessary and may, during usual office hours, sell same as required and may, to persons purchasing tickets in quantities having a face value of not less than twenty dollars (\$20), sell same at a discount of ten per cent. for one-cent, two-cent, and three-cent tickets, seven per cent. for four-cent and five-cent tickets, five per cent. for ten-cent and fifteen-cent tickets, and three per cent. for twenty-cent, twenty-five-cent, and fifty-cent tickets.

6. Tickets sold at the office of the Censor, Courthouse, Vancouver, B.C., will be supplied f.o.b. Vancouver, B.C., all charges for delivery at other points to be borne by purchaser. Tickets sold at other points of distribution will be supplied f.o.b. at such points. No refunds will be made on account of tickets which may be unsold by the purchaser.

7. Every owner of a place of amusement shall, on Monday of each week, make a return to the Censor showing the attendance at such place of amusement for each day of the preceding calendar week. The said return shall be embodied in a statutory declaration in the form supplied by the Censor and shall show the price charged for each admission ticket and the total number of admission tickets of the various denominations sold and collected for each day covered by the said return.

Save as provided in the next succeeding section, the taxes imposed shall be payable by every person entering a place of amusement, whether such person is admitted by regular ticket, season ticket, pass, or complimentary ticket, and every person admitted by season ticket, pass, or complimentary ticket shall pay such tax as is required by the Act or the Regulations passed thereunder for the price of admission to the seat which they are entitled to occupy.

9. Every constable or officer of the Provincial Police Force and every municipal police officer, the Censor, and members of the staff of his office, and every person authorized by the Minister, may enter any place of amusement to ascertain if the provisions of the Act are being complied with, and any of such persons are authorized to place or post anywhere in the entrance or lobby of any place of amusement such notices regarding the tax as the Censor may deem proper, and such persons shall not be required to pay the tax when entering a place of amusement for the purposes aforesaid.

10. It shall be the duty of every constable or officer of the Provincial Police Force and of every member of the Provincial Civil Service, so instructed by the Censor at the direction of the Minister, to collect all tax tickets at such places of amusement at such times and in such manner as the Censor may direct, and said tickets shall be forwarded by registered mail by said officer or other person on Monday of each week to the Censor of Moving Pictures, Court-house, Vancouver, B.C., together with a statement showing the place of amusement from which the tickets were collected, name of the owner thereof, and the exact period of time during which the tickets were collected.

11. It shall be the duty of every constable or officer of the Provincial Police Force, and of every member of the Provincial Civil Service, to render such assistance to the Censor and the staff of his office as may be required to expedite and facilitate the collection of taxes provided for in the Act.

12. If, by reason of accident or delay in mail or express delivery, tax tickets are not available for any performance, exhibition, or entertainment, the owner of the place of amusement concerned or affected shall collect the tax in cash and shall, not later than twenty-four hours after the close of such performance, exhibition, or entertainment, remit to the Censor the amount so collected, together with

a statement in the form of a statutory declaration showing the total number of admission tickets of the various denominations sold for and collected at such performance, exhibition, or entertainment, and setting forth in detail the reason for not selling and collecting tax tickets.

13. In cases of emergency connected with the collection of the tax, the Censor is hereby granted authority to employ temporary assistants for such period of time as the Censor may determine, and he shall have authority to engage the services of such assistants at such remuneration and to allow them such travelling expenses as the circumstances may warrant. Such assistants shall observe and carry out the instructions given them by the Censor.

14. The owner or manager of every travelling show shall furnish the Censor on demand with a detailed statement of the itinerary and dates of shows to be given in the Province by such show as he operates or controls.

15. In addition to all other penalties made and provided, the Censor may, for any breach of the provisions of the "Amusements Tax Act" or of these Regulations, cancel or suspend the licence of any place of amusement licensed under the "Moving Pictures Act": Provided that the cancellation or suspension of any licence by the Censor under this section shall be subject to an appeal to the Lieutenant-Governor in Council.
